

## Funzion aka E. Bridge (Sushitech, Lomidhigh)

### Biography:

Alejandro Mosso is the real name behind the aliases of Funzion, E. Bridge and Ampec. Born in Argentina in 1983 he is part of the new argentinian generation of producers that has been in everyone's mouth over the last years.

With only 24 years old he already has ten releases in respected international labels such as Alphahouse (USA), Lo Mid High (Denmark), Sushitech (UK), Lessizmore (Belgium), 11am (Spain), Telegraph Records (France), Igloo (Argentina), Sinergy Networks (Spain), Thinner (Germany), Zensible Records (Argentina), Silenzio (Italy) and Filtro (Mexico).

Between 2006 and 2007 he made two european tours playing all along the continent: Madrid, Amsterdam, London, Cologne, Berlin, Groningen, Barcelona, Paris, Turin, Genova, Krakow, Torun, Copenhagen, Dunkerque, Brussels, Bremen, Munich, Geneva, Moscow and Minsk. Presenting his well known, emotive and fresh live performances in almost every main club of the underground european scene: Watergate, Fuse, Culture Box, Gazgolder Gallery, Harry Klein, Moog, Bar25 and more. He has also played in numerous festivals, including two editions of the avant gard music festival Mutek in Chile and Buenos Aires.

He has also colaborated in remix works with artist like Dandy Jack, Gregorythme, Pan-Pot, Gurtz, Dilo, Seph, Polder, Sarah Goldfarb, Pheek, Butane and Kai.

Alejandro started his musical career playing guitar in postpop bands. and studying guitar and music theory since he was 14. He began working with electronic music at the age of 17 in the duet Ampec (idm, clicks and cuts, ambient).

In 2003 he started working in his solo projects orientated into dance electronic music, where he combines the production techniques of idm and clicks and cuts with the rhythmical forms of techno and house. His music is tricky, warm and energetic. This make it suitable for both, club and home listening.

With many years in music under the belt and a prolific career, his music has been in constant development and artistic grow.
